# MOHAMMADIYA INSTITUTE OF MANAGEMENT

IT'S A SMALL WORLD IF YOU THINK BIG.

**For shaping a new generation of managers committed to MIM, in an atmosphere of academic excellence and regional camaraderie.**

"The College of Business Management shares a futuristic vision to manage change and build leaders. Our aim is to inspire students to become ethical leaders by promoting critical and independent thinking, fostering personal responsibility by contributing to business, community and society. This is evident by our long list of distinguished alumni and their accomplishments. Think Business, We Do!"

**S.A.Pasha**  
Chairman

Mohammadiya Institute of Management (MIM) was founded in 2002 to address the unprecedented growth in demand for well trained professionals in the realm of management. The rich academic legacy, inherited from the MESs, together with meaningful academic support from many major business schools and corporate houses contributed to the dynamic growth of the institute. Before long, the institute could earn a place for itself in the field of management education, training and research. MIM aims to develop leaders capable of making decisions in a complex global environment, dedicated to serve their organizations and society at large.

The aim of institute is to develop highly qualified managers and technologists who play leading roles in promoting the region's industrial and business competitiveness and who work for its integration into the global economy. The college enhances its academic portfolio by emphatically injecting the "5I" features, namely internationality, innovation, integration, information technology and industrial partnership.

MIM is situated along Khammam-Warangal Highway at Arempula, and 10 Kms east of Khammam City. The campus is built on a sprawling campus of 36 acres and the cool breeze wafting through the lush, ornate and green fields make the campus a pleasant and conducive place for the pursuit of Education. We hope to see you on the Campus soon!

## A Strong Foundation

We expect the students of Mohammadiya Institute of Management to grow and develop into the most competent and skillful management professionals and entrepreneurs. To enable this, we provide all the essential facilities that our students need.

Our state-of-the-art infrastructure includes fully equipped lecture halls, an excellent computer lab equipped with the latest IT tools, a rich library and an easily accessible E-library, where the best of journals and books are available.

The 24-hr Wi-Fi connectivity helps our students to stay in touch with the world via the Internet. The campus boasts of excellent conference halls, tutorial halls, canteen and parking facility. Not only this, MIM is one of the few best B-Schools in South India having separate boys and girls hostels on the campus.

Apart from the above, the Institute promotes individual development and social responsibility by associating with various organizations like NSS, Youth Red Cross (YRC) etc.

Also the year round activities like Industrial visits, Live projects, Guest lectures/ Guests from the corporate world, entrepreneurship, self development activities, industry relations, placement cell, Excellent teaching staff, Business clubs, sports clubs, women empowerment clubs, and annual business meets/events and symposiums, are helping MIM to shape students into ethical global business leaders.
