# MOHAMMADIYA INSTITUTE OF COMPUTER TECH.

ONE DEGREE. MANY CHOICES.

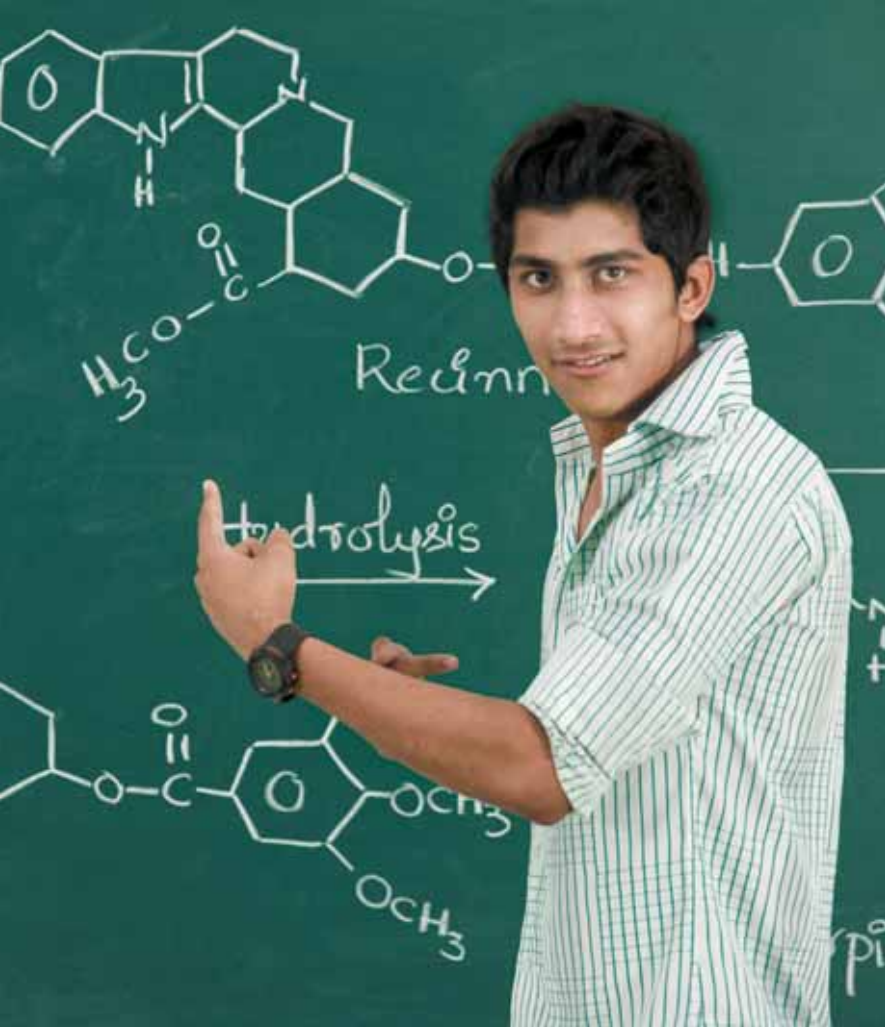

## Getting real-time, hands-on experience is what the Mohammadiya College of Computer Technology is all about.

MICT is one of the top and pioneering Computer Technology institutions in the South India. The college has earned its repute as a center for quality education in the country for its efficient and well-qualified staff, modern equipment and discipline. Our ex-students occupy vital positions in the technology and software development field, both in India and abroad. Our students greatly benefit from the institution's constant tryst with technological advancements to keep them abreast of tomorrow for meeting new challenges and horizons. What's more, nestled close to beautiful valleys and Forests of Papi hills in Khammam district, the serene and healthy surroundings enveloping the institution will make your quest for education and knowledge that much more stimulating, holistic and fulfilling. Here's wishing you all a wonderful life and future ahead.

Mohammadiya Institute of Computer Technology (MICT) is established in 2002 to contribute to the unprecedented growth in opportunities for well-trained computer professionals. The college endeavors to bring out world class professionals in the fields of software development and application. The training objectives and curriculum at MICT compare to the best of institutions. The Information Technology revolution and its associated intellectual activities, and subsequent transition from Industrial to Information Society have necessitated moulding innovative Software Engineers. And MICT forms a perfect breeding ground for such professionals.

MICT is situated along Khammam-Warangal Highway at Arempula, and 10 k.m. east of Khammam City. The campus is built on a sprawling campus of 36 acres. The cool breeze wafting through the lush, ornate and green fields make the campus a pleasant and conducive place for the pursuit of Education. We hope to see you on the Campus soon!
